

Tomás Lasalde Pataro

CABA, Argentina | tomylasalde@gmail.com | linkedin.com/in/tomas-lasalde-pataro-03006b1b5/

With experience in Front-End development, I have worked in collaborative environments applying agile methodologies to optimize and evolve systems. I have participated in both maintenance projects and the implementation of new features. I am eager to continue learning new technologies and further professionalizing in the IT field, taking on new challenges, and contributing to the efficient development of projects.

PROFESSIONAL EXPERIENCE

AI Product Engineer

May 2026 – Present

Fonder

- Work across the AI-powered features of the product, from ideation through implementation.
- Handle both front-end and back-end tasks to ship and maintain these features end to end.
- Collaborate with the team to integrate AI capabilities that improve the product experience.
